Sir:

An interview was conducted with the Examiner and her supervisor on November 15, 2007. During that interview, all pending claims were discussed in light of the cited Moore and Richards references. No agreement was reached as to allowability of the claims. Also discussed was the fact that claim 19 was not amended following the first action on the merits. **PTO did not receive items marked with** However, claim 19 was rejected in view of a different combination of art in the final Office Action. Agreement was reached that a new non-final Office Action would be issued. Applicant agreed to take no further action and await issuance of the new non-final Office Action.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
